

EXPRESS DELIVERY FROM ASCENDOR

Benefit from **fast delivery** for a PLG7 straight platform stairlift. You will receive the lift within **one week** with minimal on-site adjustment work for the **same price!**

ASSEMBLY TROLLEY

Mount the lift on the assembly trolley.

CHECK NATURAL DIMENSIONS

As usual, check the natural dimensions before assembly.

ADJUST LANE

Adjust the lane according to the A-measurement.

ADJUST SLOPE

INSTALLING THE TRACK AND ATTACHING THE LIFT

With the help of the assembly trolley, you can hook in the lift on your own.
